

ANTIGUA VETERINARY PRACTICE BOARDING POLICY

* All dogs and cats that are boarding will receive a dose of CAPSTAR AT A CHARGE OF \$2.00 to ensure that we give them back to you free of fleas.

* Please label any items left with animal-Antigua Veterinary Practice cannot be responsible for items not labeled with owners name. You are leaving your pet's belongings at YOUR OWN RISK, Antigua is NOT responsible for any damage to collars, leashes or other belongings left with your pet.

1) Antigua Veterinary Practice requires that all animals staying in the clinic must be up to date on the following vaccinations and have a no parasites on a fecal examination:

Feline: Rabies; FVRCPC; CVR
Canine: Rabies; DHLPP; Bordetella; Influenza

2) Your pet(s) will be checked for internal and external parasites and will be treated if any are found.

3) Your pet(s) will be monitored by the staff while boarding at Antigua Veterinary Practice. If your pet(s) should require medical attention during his\her stay here, (including treatment for separation anxiety), he/she will be treated appropriately, and you will be charged accordingly.

I agree to the above conditions and accept full financial responsibility for my pet(s).
